About Us

In today's market scenario where the customer demands are ever escalating and change is the only constant **KELINO BRAND** has always been first mover advantage. Thanks to its appetite to explore new horizons and reach where no one has gone. Not to mention the due importance the company gives to quality, service and its people.

Quality

To make sure, that every piece that rolls out of **KELINO BRAND** meets its high quality standards. Special attention is given right from the purchase of raw materials to the manufacture of the moulds using CNC and EDM technology.

PEOPLE **KELINO BRAND** has always considered its people as its assets. The very reason why it invests from time to time in training and upgrading the skills of its engineers, Technicians, Designers and Managers.

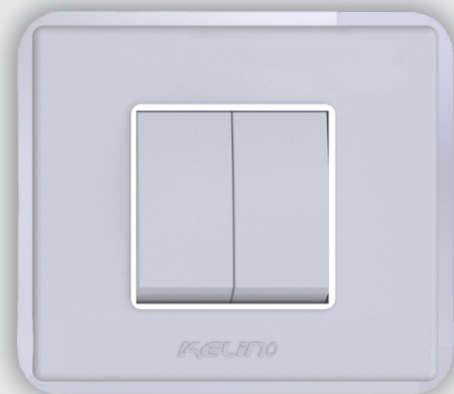

Service

Finally, **KELINO BRAND** manufacturing facilities and team of professionals are backed by well trained and proactive Customer Service Executives. Further, **KELINO BRAND** strong Dealer network, online information systems and Customer Care Department are always committed to customer satisfaction and take care of every demand and suggestion.

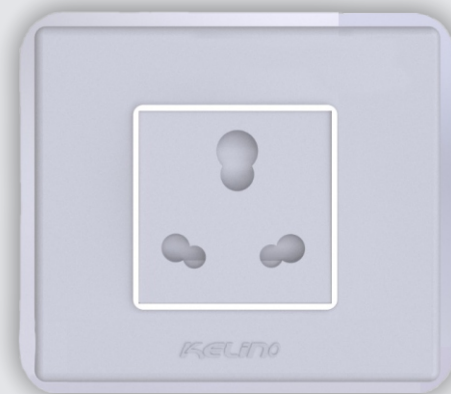

Ultimate sophistication.

Presenting our Avatar Snow White Plate: a sleek 2-module design crafted from durable, high-quality polycarbonate with a premium snow-white glossy finish, featuring soft rounded edges, seamless integration, and modern aesthetics—perfect for both residential and commercial spaces.

Snow White Plate-
